FROM: Cmdr. Sullivan

DATE: April 12, 2005

SUBJECT: New Police motorcycles

Chief:

Please be advised that I have reviewed the quotes submitted to Terry Meech reference the purchase of two Harley-Davidson FLHPI Police Motorcycles.

Liberty Harley-Davidson in Akron, Ohio submitted the lowest bid of \$34,316.12
All items requested in the specifications are accounted for in the quote. Per map-quest, the dealership is located 29 miles from Beachwood.

Southeast Harley-Davidson in Bedford Heights submitted the second lowest bid of \$36,685.00.
All items requested in the specifications are accounted for in the quote. Per map-quest, the dealership is located 6.8 miles from Beachwood.

Harley-Davidson Sales Co., in Cleveland submitted the third quote of \$37,579.60. This quote was adjusted after I called to question the light specifications and equipment that was originally submitted. Per map-quest the dealership is located 23.1 miles from Beachwood.

As submitted the motorcycles would only need radios installed and would then be road ready. I am still shopping for a price on the radio systems.

The deliver is about 45 days.

Respectfully,

Cmdr. Sullivan

POLICE DEPARTMENT MEMORANDUM

TO: Mayor Merle S. Gorden
FROM: Chief Mark S. Sechrist
DATE: February 18, 2009
SUBJECT: Police Motorcycle Replacement

Attached please find the results of the request for bids on police motorcycles. Commander Sullivan reviewed all proposals and Southeast Harley Davidson is the lowest bidder both with and without trades.

I respectfully request you consider this item for the March 16th council agenda. I will be out of town on the 2nd, and I would like the opportunity to discuss with you keeping the two trade-in units. We now have more than six officers who are capable of being deployed. While the older units are not reliable for everyday use, certainly on those occasions such as parades and other special events like the charity runs and walks, as well as the Torah marches we have done in the past access to six units may be an asset we would want to consider. While fuel costs have stabilized, we know how suddenly they can rise. The amount they will bring in trade may be insignificant compared to the economics should fuel again return to record levels.

Thank you for any consideration you may give this matter.

INTEROFFICE MEMORANDUM

TO: Chief Sechrist

FROM: Cmdr. Sullivan

DATE: February 18, 2009

SUBJECT: Motorcycle Purchase

Chief:

After a review of the submitted bids (informal) please be advised of the following:

- Three companies submitted a bid i.e. Liberty Harley Davidson, South East Harley Davidson and Cleveland's Original Harley Davidson.
- Liberty choose to submit a bid for the motorcycles only and did not include any information on the required equipment.
- Cleveland submitted a bid but did not include the required equipment.
- Southeast was the only submission that met the original bid request.

After answering questions from both the Cleveland and Southeast dealerships an alternate submission was received. After a careful review Southeast Harley Davidson is the lowest bid per motorcycle and offers the highest amount for our trade – in motorcycles. (A difference of \$1571.56 should we decide to trade in the two older motorcycles).

I have attached to two submitted bids.

Respectfully,

Mr. Terrence J. Meech,

Please find the following proposal for the City of Beechwood Police Department. The pricing as follows is for 1 FLHP model year 2009 with the following equipment installed:

Police Tour Pak adapter plate

Police Tour Pak

Police Tour Pak Red/Blue Split Lighting

LED Light Kit PAR 36

Emergency Headlamp

Stealth Switch for Headlamp

Wiring Harness

Fan Kit

Module LED Flasher

Engine Guard LED kit

Price of the 2009 FLHP w/ABS brakes is \$15712.00, parts installed as listed above are \$4072.78 and a document fee of \$150.00 totals \$19934.78 per bike. This would include the service manual for the FLHP but would not provide for the use of motorcycles for training purposes.

In regard to the trade value of your current bikes, the 1997 would carry an approximate value of \$5000.00 and the 1994 is approximately \$4000.00 with a visual and mechanical inspection required to give the city of Beechwood the greatest return on the current motorcycles.

I would be able to visit your location and properly value the property at your convenience.

Please call me with any inquiries that you may have concerning this matter. I hope that this quote provides some guidance in your decision making. If you would like to obtain a formal quote from Harley-Davidson Sales Company please allow three business days for an accurate response.
